Who we support

Adults and young people with disability, including psychosocial disability, across greater Darwin and the Northern Territory (subject to current capacity). We welcome referrals for participants with complex support needs and pride ourselves on culturally responsive support, including long-standing work with Tiwi and urban communities.

How to refer — three easy steps

- 1. Send the referral.** Fastest: the secure online form at epnt.com.au/referrers/make-a-referral. Or call 0431 044 443 / 08 8945 3697, or email admin@epnt.com.au.
- 2. We acknowledge.** Every referral receives a reference number and is assigned to our intake team, who respond promptly.
- 3. We assess together.** We confirm suitability, capacity and location, discuss goals and preferences with the participant, and where suitable proceed to a service agreement.

What to include with an initial referral

- Referrer name, role and organisation, and contact details
- Participant first name, suburb/postcode and age range
- Requested service and desired start timeframe
- Preferred contact method, and any interpreter or communication requirements
- A concise support summary and confirmation of participant consent to refer

Privacy note: please do not send full NDIS plans, detailed clinical records or identification documents at this stage. If more is needed, our intake team arranges a secure way to collect it.
